

*Catalogo "PROFIL.DECOR"*

*"Dall'architettonico al giusto comfort abitativo"*

*La POLIDESIGN s.r.l. opera dal 1995 nel campo della lavorazione del polistirolo espanso, dove in questi anni ha sviluppato la resa di questo prodotto in diverse applicazioni, dalla realizzazione di casseforme decorative alla realizzazione di prodotti ed applicazioni nel settore dell'isolamento.*

*La Nostra strategia da una valenza particolare al prezzo, al servizio, ma soprattutto alla qualità che è estesa ad ogni processo aziendale e tutto il personale ne è coinvolto, dalle prime fasi dello studio e del progetto, alla realizzazione di prototipi che rispecchiano le esigenze del cliente, alla fase produttiva dove avvengono continui ed accurati controlli per arrivare ad un prodotto finito con elevata qualità.*

*La POLIDESIGN s.r.l. è in grado di offrire in tutte le regioni il supporto tecnico commerciale con agenti e consulenti tecnici.*

*Per questo cantiere sono stati realizzati elementi architettonici con specifiche caratteristiche e dimensioni, su richiesta del cliente.*

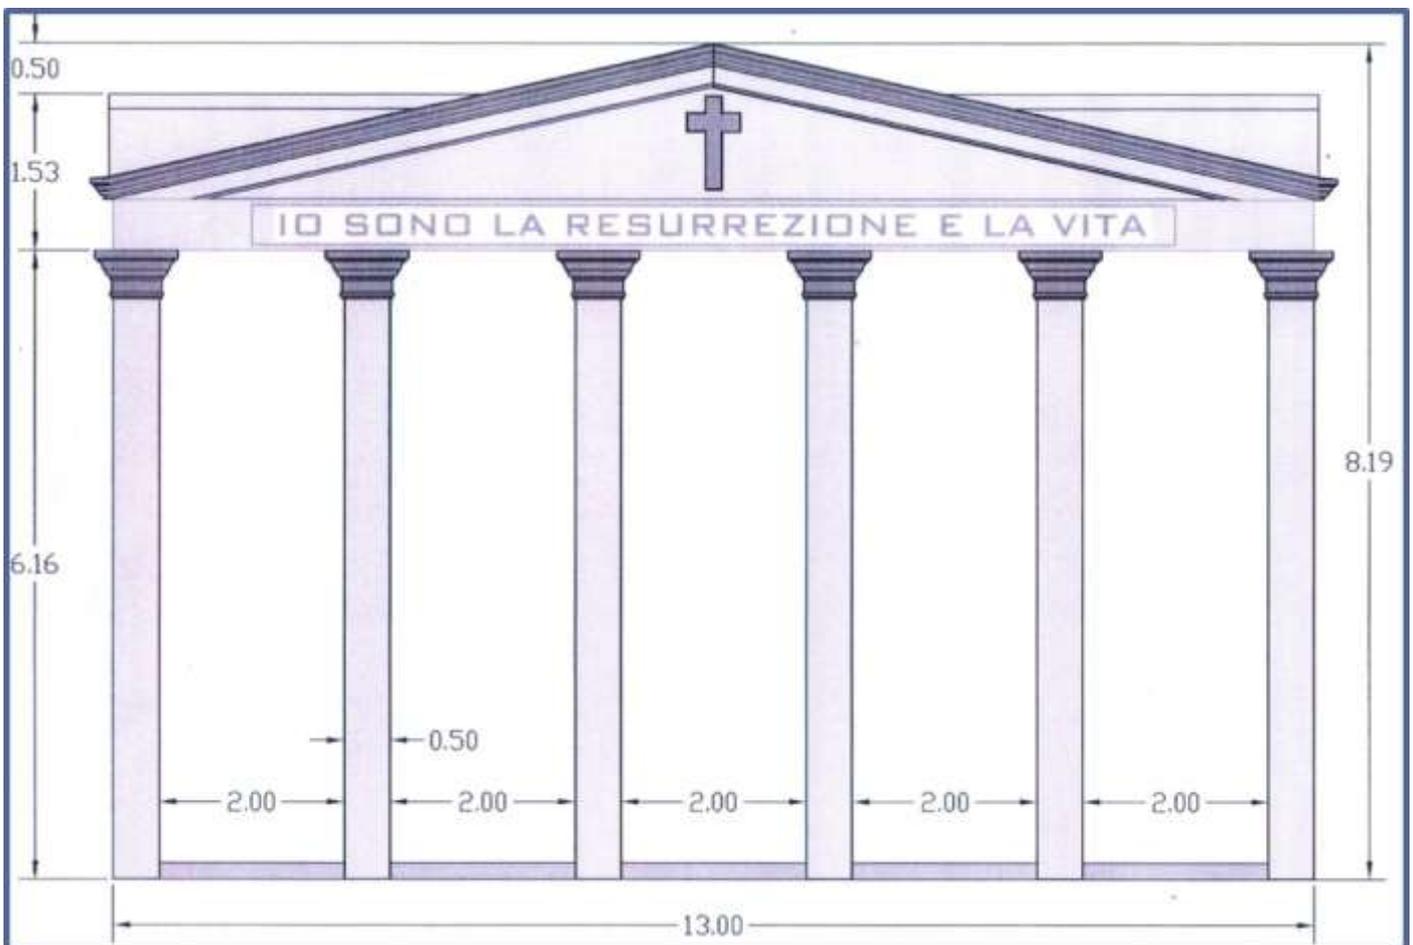

*Dallo stato di fatto.....  
alla progettazione  
del Nostro Staff..*

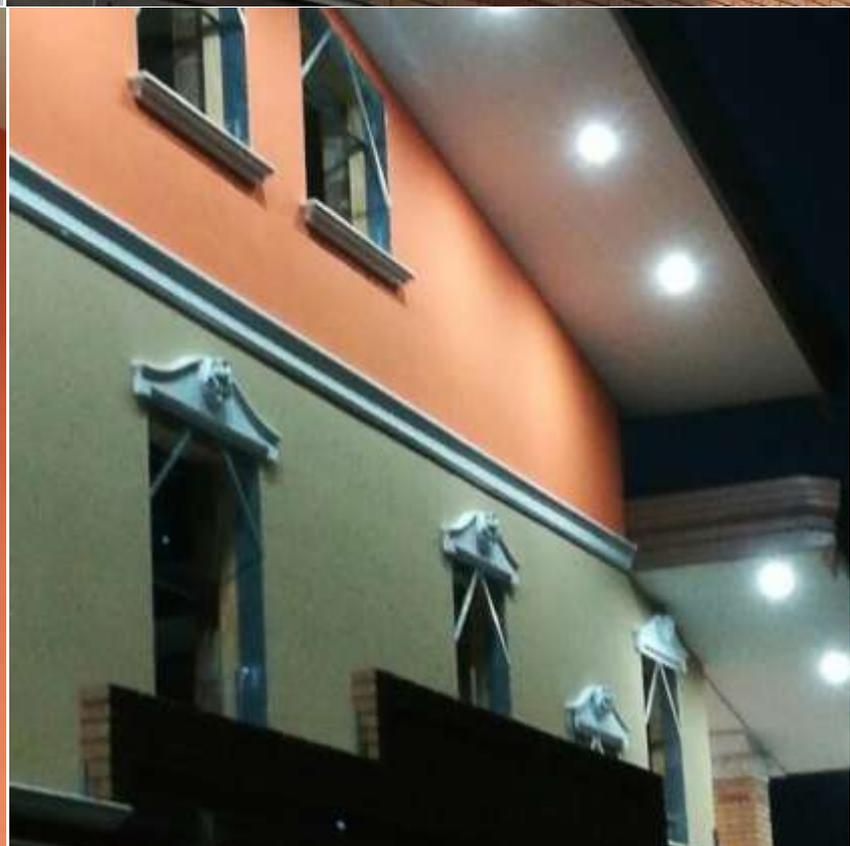

PROFILDECOR sono adatti per diverse applicazioni

PROFILDECOR sono adatti per diverse applicazioni

PROFILDECOR sono adatti per diverse applicazione

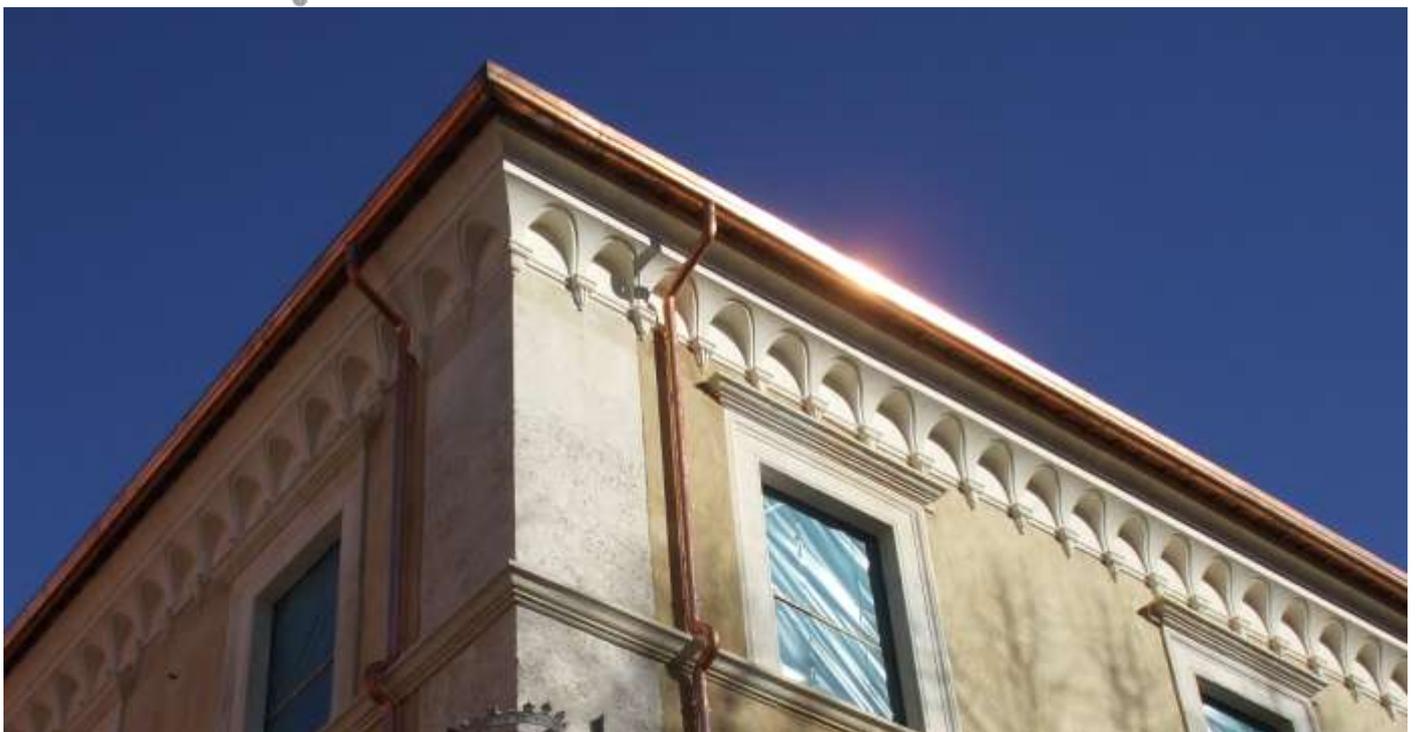

**RIPRODUCIAMO QUALSIASI ELEMENTO  
ARCHITETTONICO**

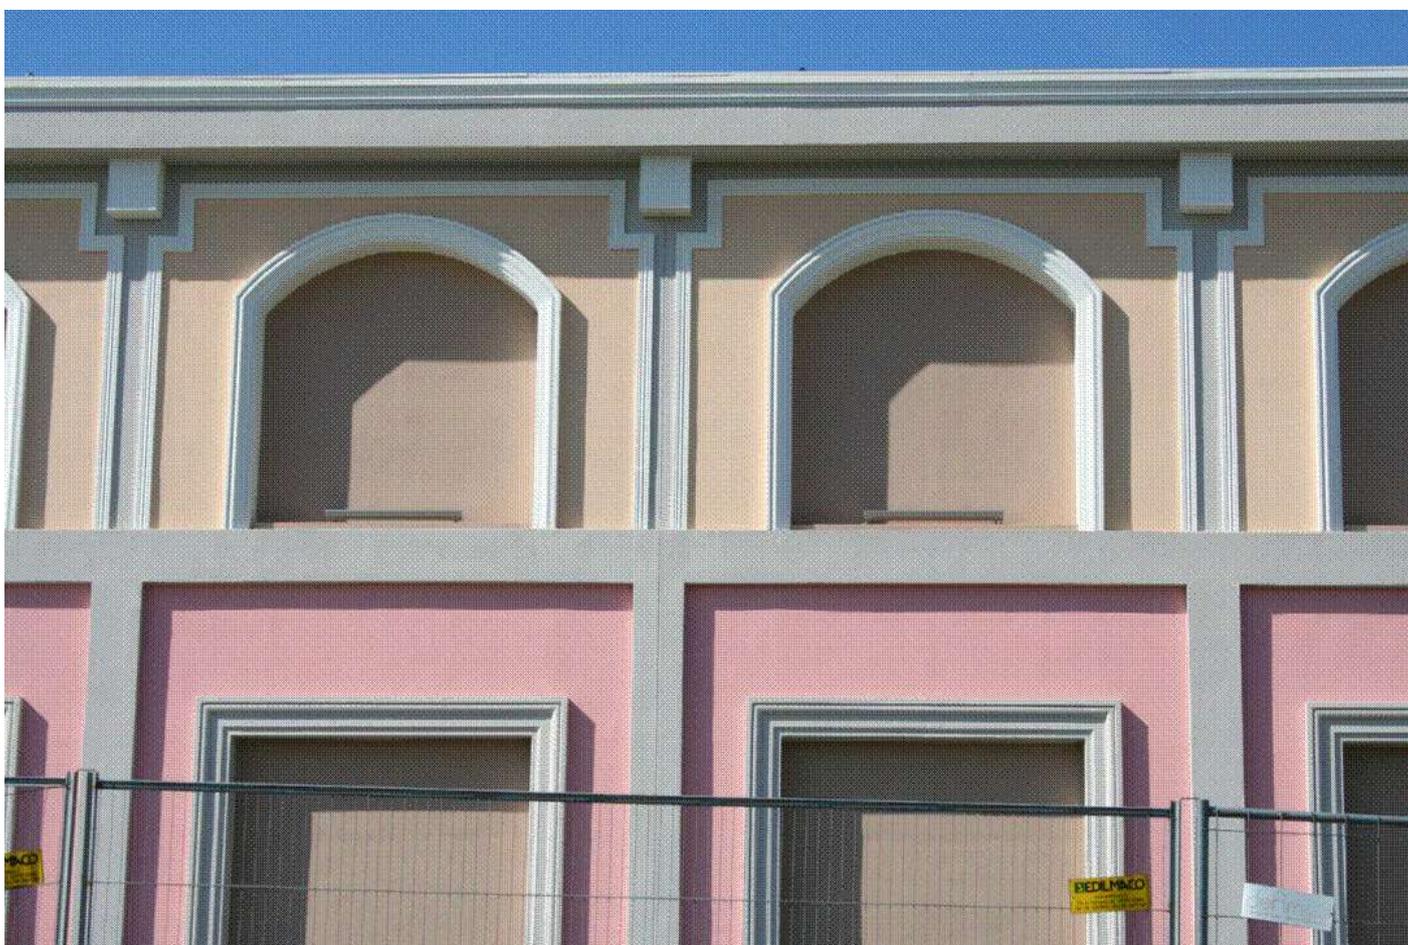

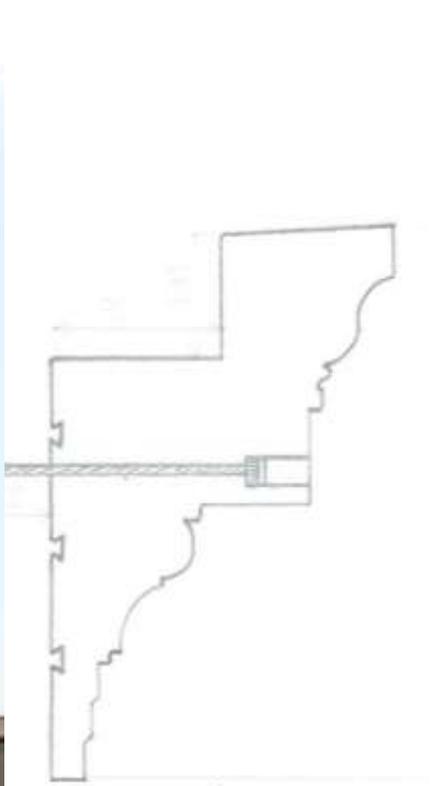

**CON I NOSTRI CASSERI POLIEDIL E CORNICI PROFILDECOR SONO STATI REALIZZATI I SEGUENTI  
OUTLET: Bagnolo San Vito (MN); MOLFETTA (BA); VALDICHIANA (AR); VALMONTONE (RM)**

## TRAVI EFFETTO LEGNO

*Le Travi in EPS 200 ad effetto legno sono realizzate all' interno della Nostra Azienda in modo da soddisfare ogni eventuale esigenza in termini di dimensioni di gusto estetico, forma e colore.*

*I colori possono essere Noce scuro - Noce chiaro - Bianco sporco.*

*Le doghe possono essere ad effetto legno come le travi oppure colorate in varie tonalità ad effetto cotto.*

*Vengono utilizzate per abbellire ambienti rustici oppure per rivestire strutture esistenti in ferro ; in quest' ultimo caso , verrà effettuato un sopralluogo da parte del Nostro staff Insieme con il posatore in modo da ottenere il miglior risultato finale.*

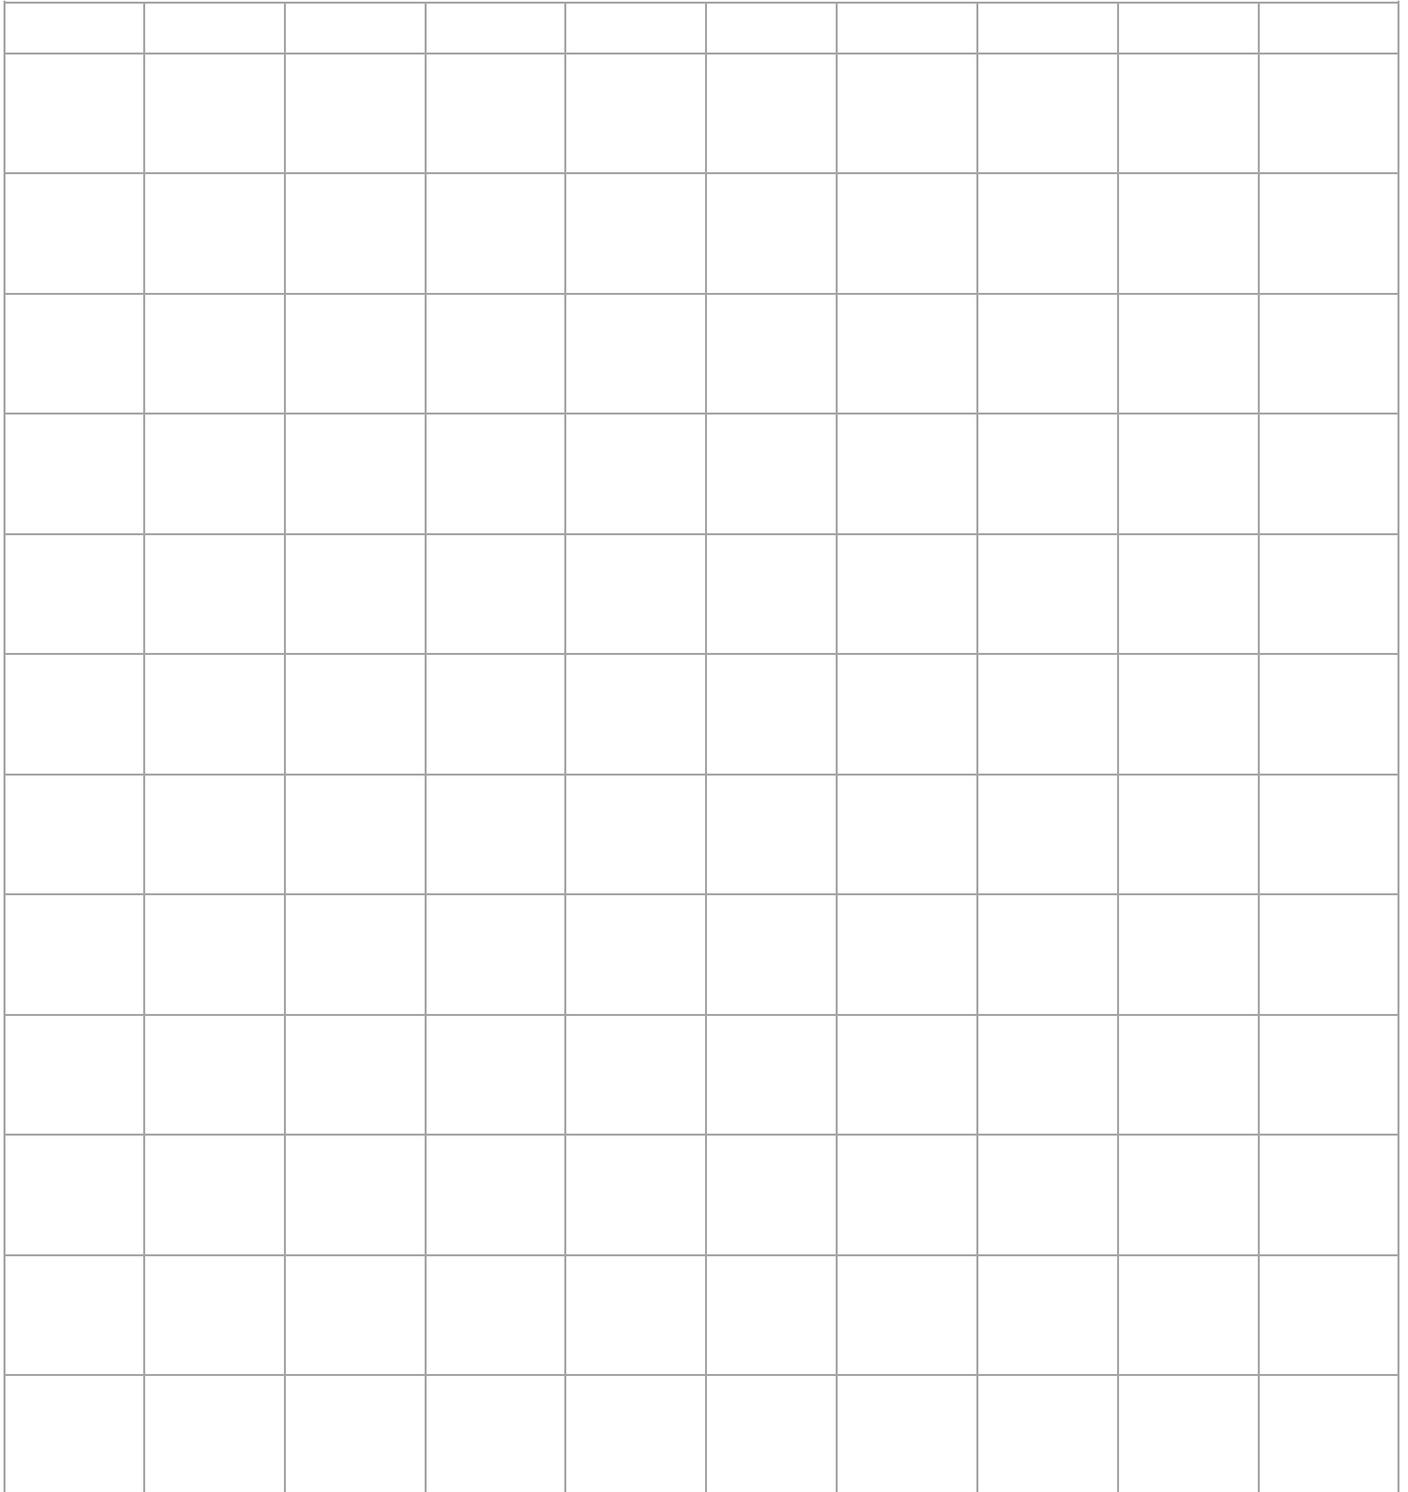

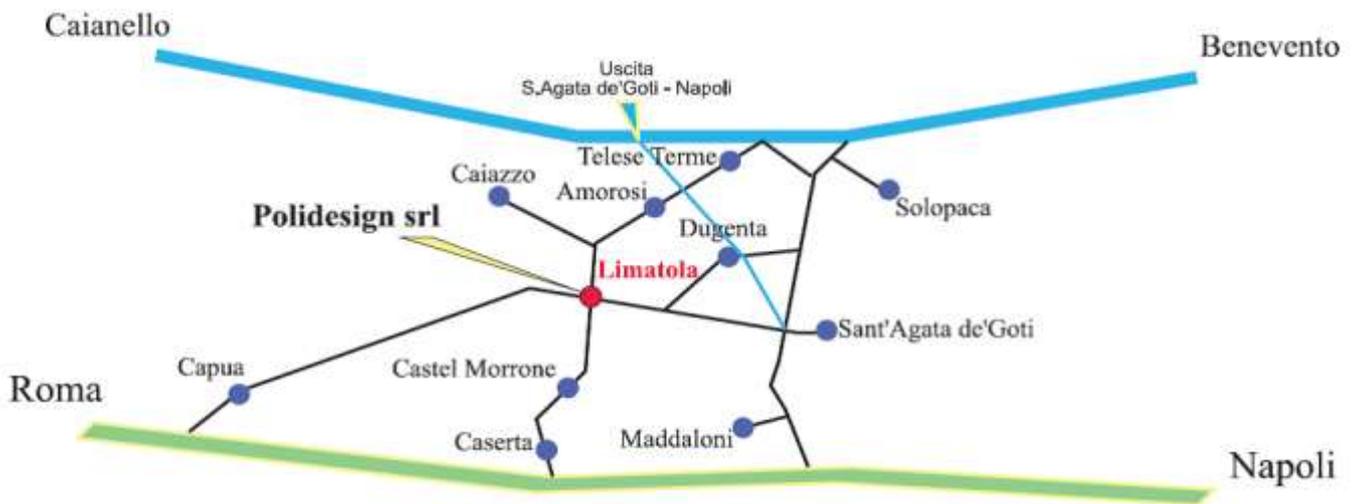

*Oltre alle Travi e doghe  
Possiamo realizzare  
Mensole e gattoni,  
Possiamo fornire la  
finta cinghia per dare  
ancor più l'effetto  
realistico e allo stesso  
tempo molto utile per  
coprire eventuali  
giunzioni tra le barre là  
dove ci siano luci oltre i  
tre metri.*
